To

The Revenue Commissioner in Mysore,

BANGALORE.

Sir,

Subject:- Revision of scales of pay of Subordinate Gazetted Officers.

--:--

I beg leave to submit the following representation of mine for kind and sympathetic consideration of Government.

I was appointed as Revenue Probationer in September 1930 and promoted as Assistant Commissioner in April 1938. I reached the maximum of the grade under the old scale in April 1948. I was promoted as Senior Assistant Commissioner in G.O.No.3404-C.13.2-1&8-2 dated 16.11.48. I have put in very nearly 19 years of service in Government.

Government in their Order No.Fl.4081-4161 S. & A. 14-48-7 dated 4-11-1948 have sanctioned revision of scales of pay of Subordinate Gazetted Officers with effect from 1-10-1948. Under the principles to be followed in fixing the pay in the revised grades according to this Government Order, a Subordinate Gazetted Officer is ordinarily entitled to, in addition to the weightage admissible according to this Order, half the biennial increment in the existing grade provided one has put in a service of one year or more in the existing grade since the date of last increment upto 1-10-48. The additions of the weightage by way of increments to the existing pay on 1-10-48 is controlled by the principles laid down under clauses (a) to (e) of Sub-para 2 of Para 2 of the Order.

According to the Government Order No.3404-CB.2-48-2 Dated 16.11.48 promoting me as Senior Assistant Commissioner with effect from 25-7-47 till the end of 27-10-47 and from 21-4-48 onwards, I have drawn the acting allowance of Rs.90/- ~~to~~ the grade pay of Rs.410/- till 28-4-48 and the acting allowance of Rs.50/- ~~to~~ the grade pay of Rs.450/- from 28-4-1948 towards the minimum grade pay of the Senior Assistant Commissioner's cadre. Thus, even prior to the issue of the present Order by Government, I was getting the minimum pay of the Senior Assistant Commissioners' cadre with effect from 25-7-1947 ~~having~~ with a break of nearly six months from 27-10-1947 till 21-4-48 calculated on my grade pay of Rs.410/- & 450/- respectively in the old scales of pay of Assistant Commissioner. In the latest Civil List, my pay has been shown as Rs.500/- with effect from 1-10-48 in the Senior Assistant Commissioners' cadre according to the Government Order revising the scales of pay. This revision has not resulted in any financial benefit to me. I was getting this pay of Rs.500/- even prior to the issue of the Government Order revising the scales of pay. In effect, this revision of my scale of pay from 1-10-48 takes away any benefit I might possibly derive towards my future increments etc. conferred by the Government Order No. 3404-CB.2-48-2 dated 16.11.48 promoting me as Senior Assistant Commissioner with effect from 25-7-47.

Further, my being shown as promoted to the present pay of Rs.500/- in the Senior Assistant Commissioners' cadre with effect from 1-10-48 in the latest Civil List, clearly discloses that the benefits which the benign Government intended to confer on Gazetted subordinates have not been conferred on me in any manner. As a matter of fact, I have derived no benefit whatever by virtue of this very generous

generous Government Order either through my long length of service or weightage or both . Such a denial of the benefit may probably be due to very technical grounds which I humbly trust will not appear as an insurmountable obstacle to Government so as to deny me for ever its benefits.

I humbly request you, Sir, to kindly recommend my case to Government for their kind and sympathetic consideration to extend the benefits of the Government Order revising the scales of pay of Gazetted Subordinates.

I remain,
Sir,
Yours faithfully,
G B Sankaranarayana
Senior Assistant Commissioner.

Council File No.....
FOR DISPOSAL BY CIRCULATION

CIRCULATION NOTE.

Subject :- Regarding revision of the scales of pay of subordinate Gazetted officers.

While revising the scales of pay of the subordinate Gazetted Officers certain principles in the matter of fixing the pay of officers in the revised scales were laid down. According to those principles the benefit of weightage increments in the non-substantive appointments is allowed only to those holding Provocionally Permanent and U.P.T. and temporary tenures on such appointmentsal Officers 'acting' in higher temporary appointments are not allowed weightage increments in respect of such higher temporary appointments, they being, however, allowed weightage on their substantive pay only.

The Comptroller has pointed out how the rule has adversely affected certain officers who are acting in higher temporary appointments in that their pay in the revised scales gets reduced to less than what they were getting before in their permanent appointments. In addition their service in the old grade is not taken into consideration for purposes of regulating their increments in the revised grade. With a view to mitigating the hardship caused to officers of this type the Comptroller suggests the adoption of the following procedure :-

"In cases (1) where there has been no enhancement over the minimum in the respective previous grades, and (ii) where the revision has only converted the biennial scales of pay into Annual scales without altering either the minimum or the maximum pay of the appointments and where the biennial stages of pay in their respective previous grades correspond to certain stages of pay in the revised annual grades, such of the officers as have put in an acting service of one year or more in their respective stage pay in the existing grade on 1-10-1948, may be permitted

to act on the next higher stage in the revised grade with effect from 1-10-1948 and their salary accordingly fixed subject, however, to the specific proviso that the acting salary to be so fixed should not in any case be less than what they were actually drawing on 1-10-1948, in their respective previous grades of pay.

While agreeing to the above proposal, it is suggested, in addition, that such of the officers as have put in a service of less than one year in the old grades may be allowed to count such service for purposes of regulating increments in the revised scales. The above concessions are considered to be equitable and the Minister for Finance minuted as follows on the proposal. -

"I agree - that the previous order may be modified to the extent suggested."

The matter has been ordered to be disposed of by circulation. Hence this Note. A draft Government Order embodying the above suggestions also accompanies for facility of reference.

To

The Comptroller to Government.

Sir,

Regarding revision of the scales of pay of subordinate Gazetted Officers.

With reference to your letter No.320/G.A.D. dated the 24th January 1949, on the above subject, I am directed to communicate the following further instructions of Government to be followed in regulating the increments of subordinate Gazetted Officers in the revised scales of pay sanctioned in Government Order No.Fl.4081-4161/S&A.14-48-7, dated the 4th November 1948.

In cases (1) where there has been no enhancement over the minimum in their respective previous grades and (2) where the revision has only converted the biennial scales of pay into annual ones without altering either the minimum or the maximum pay of the appointments and where the biennial stages of pay in their respective previous grades correspond to certain stages of pay in the revised annual grades, the period of acting service rendered by the officers up to 1-10-1948 in their respective original grades may be permitted to be counted for purpose of accrual of increments in the revised grades and their salary fixed in accordance with the rules, subject, however, to the condition that the acting salary so fixed shall not in any case be less than what they were actually drawing on 1-10-1948 in the previous grade or grades of pay prior to the revision.

Suitable instructions may kindly be issued for guidance of all the Heads of Departments and the Drawing Officers concerned.

Yours faithfully,

Financial Secretary to Government.
